CHAPTER _____

An act to amend Sections 12810.3 and 23123 of, and to add Section 23124 to, the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

SB 33, Simitian. Vehicles: wireless telephones and mobile service devices.

(1) Under existing law, on and after July 1, 2008, it will be an infraction for any person to drive a motor vehicle while using a wireless telephone, unless that telephone is designed and configured to allow hands-free listening and talking operation, and is used in that manner while driving, except as otherwise provided. A violation point is not given for a violation. A violation is punishable by a base fine of \$20 for a first offense and \$50 for each subsequent offense.

This bill, on and after July 1, 2008, would prohibit a person under the age of 18 years from driving a motor vehicle while using a wireless telephone, even if equipped with a hands-free device, or while using a mobile service device, as defined. The prohibition would not apply to such a person using a wireless telephone or a mobile service device for emergency purposes. By creating a new infraction, the bill would impose a state-mandated local program.

The bill would prohibit a law enforcement officer from stopping a vehicle for the sole purpose of determining whether the driver is violating the above prohibition, but would not prohibit a law enforcement officer from stopping a vehicle for the purpose of determining whether the driver is using a wireless telephone without a hands-free device. The bill would prohibit a violation point from being given for a conviction of violating the above prohibition. A violation would be punishable by a base fine of \$20 for a first offense and \$50 for each subsequent offense.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:
